5k Fundraiser on November 1, 2025 for the Pawtuxet River Authority and Watershed Council (PRAWC), a non-profit organization which has been protecting, conserving, and restoring the Pawtuxet River and its watershed for over 50 years!

Our mission is to enhance water quality and wildlife habitats; create opportunities for public passive recreation; and promote the environmental, cultural and historic significance of the Pawtuxet River and its watershed. Join us for a family-friendly 5k walk, run, roll, or stroll along the banks of the Pawtuxet River! Featuring 3 trestle bridges along the bikepath in Coventry, enjoy views of the river, two majestic mills, and a jog through Anthony Historic District. We will happily accept monetary donations, or contributions of in-kind goods (water, snacks, swag, or gift certificates to use as prizes) or donated services (marketing, photography etc).
