

Sponsor Our 5k Race

Join us in protecting the Pawtuxet River!

Our mission is to enhance water quality and wildlife habitats; create opportunities for public passive recreation; and promote the environmental, cultural and historic significance of the Pawtuxet River and its watershed.

**Join us for a family-friendly 5k walk or run along the banks of the Pawtuxet River
Saturday November 7, 2026**

Featuring 3 trestle bridges along the bike path in Coventry, enjoy views of the river, two majestic mills, and a jog through Anthony Historic District.

We will happily accept monetary donations, or contributions of in-kind goods (water, snacks, or gift certificates to use as prizes) or donated services (marketing, photography, etc).

If you are interested in sponsoring our 5k and taking a step towards protecting one of Rhode Island's most treasured natural resources, please see sponsorship benefits and giving levels below, and send a note to **Sponsor.Pawtuxet5k@gmail.com**.

Or, reach out directly to your local Pawtuxet River Authority Board Member!

Sponsor deadline is October 10, 2026 to guarantee your logo on the back of the shirt.
